Dear A.L. Fortune Families,

Schools in Enderby have been asked to send out the following message from School District No. 83:

We would like to make parents and caregivers aware of two separate incidents that took place within the community of Enderby on May 30, 2019 and May 31, 2019. RCMP are investigating two incidents of concern regarding an unknown male. The first incident occurred on the evening of May 30, 2019 when two local elementary school children were approached by an unknown male. The second incident occurred on the morning of May 31, 2019 where a lone child was not approached but had an uneasy feeling of being followed. Both incidents involve an unknown male described as white hair, white beard, large belly and distinguishable nose. In the first incident he was driving a black jeep and in the second incident he was on foot.

Carol-Ann Leidloff, School District No. 83's Safer Schools coordinator, asks that caregivers in the area please be on alert and use extra precaution until the RCMP have completed their investigation. If anyone has any further information about the incident, please contact Enderby RCMP at (250) 838-6818.

Please be sure to talk with your children about the importance of personal safety.

If you have any questions, please feel free to contact the school, School District No. 83, or the Enderby Detachment of the RCMP.

Yours Truly,

A handwritten signature in black ink, appearing to read 'Scott Anderson', written over a white background.
