

\$1000 Hebden Chemistry Bursary

This bursary is awarded to one student! This student must have performed service for their school and/or community while maintaining grades in science that are necessary in a post-secondary education!

*ALL students who will be completing Chemistry 12 by June 2023 are eligible to apply for the bursary. This includes students who have taken Chemistry in the first and second quarters!

Please forward this to **ALL chemistry 12 students.**

Information on the Bursary:

- The student has or will have completed Chemistry 12 by the end of June 2023
- The student can demonstrate plans to continue the study of chemistry, or studies related to Chemistry, at a recognized post-secondary institution
- The student must also include a letter of reference from a teacher. Note that this letter must state their GPA for Grade 11 and their cumulative GPA to date in Grade 12

For detailed information and to apply please click the button below.

Please note that the deadline for applications is May 19, 2023.
