Bursary - Student Guidelines

- **Bursary will be for post-secondary education only.**
- **Student must be entering a recognized trades program.**
- **All courses must offer an achievement certificate, diploma or degree. Courses must be started within 18 months.**
- **Correspondence courses DO NOT qualify for funds.**
- **Location of study will be in Canada only.**
- **A letter of intent must be included with application for bursary (including trades program & institution to which application has been made).**
- **Funds will only be dispersed to a recognized institution, not to the recipient.**
- **Cheques for authorized bursaries will be sent directly to the applicable institution of learning upon proof of enrollment at such institution. Cheques should be accompanied by a covering letter (sample cover letter attached). This letter may not be appropriate if the Cam Jammers Car Club is assisting a student for only one course or semester, in which case, the letter should be amended accordingly.**
- **This is a one (1) time award. The amount of the award is at the discretion of the committee.**
- **The current maximum dollar value for the school year will be \$900 (one award of \$450 in each of School Districts #22 and #83).**
